Noonan](http://www.tmfgrants.org/Noonan)

Bank of America, N.A., Trustee is pleased to announce the 2012 funding cycle for the Deborah Munroe Noonan Memorial Research Fund. The Noonan Research Fund, established in 1947 by Frank M. Noonan in memory of his mother, continues its proud tradition of supporting non-profit organizations and academic institutions that serve children with physical or developmental disabilities within their geographic area of interest of metropolitan Boston.

New investigators are encouraged to submit proposals. Neither a faculty position nor an advanced degree is required. Senior investigators exploring new areas outside of their prior research are welcome to apply.

The Noonan Research Fund supports innovative clinical and service system research, demonstration projects, and pilot studies in the greater Boston area designed to improve the quality of life for children with disabilities. The Noonan Fund does not fund primary prevention projects.

Eligibility Requirements:

- Applicants must hold a position within a non-profit organization or institution
- Project must address the target population age range of birth through 23 years old
- Research projects must be conducted within the Fund's geographic area of interest (see Guidelines for eligible cities and towns)

For questions contact Jeanne Brown, Program Officer at jbrown@hria.org or 617-279-2240, ext. 709

The Medical Foundation
A division of Health Resources in Action
