[KingAwards@hria.org](mailto:KingAwards@hria.org)

### ELIGIBILITY

Senior postdoctoral researchers and mentored clinician-scientists working in the state of Massachusetts.

By October 1, 2023,

- Applicants without clinical training must have completed 3-6 years of full-time postdoctoral research and have 90% protected time for research.
- Applicants with clinical training must have completed no more than 6 years cumulative full-time postdoctoral research experience since completion of residency or similar clinical training and have at least 70% protected time for research.

### RESEARCH FOCUS

Applicants may apply under one of the two separate, but linked programs:

- **Basic and Preclinical Science**
- **Clinical and Implementation Research**

**See Guidelines for additional eligibility requirements.**

*Private foundations, individuals and other contributors have joined the Charles A. King Trust in supporting the Postdoctoral Research Fellowship Program. Proposals focused on cancer or blindness (not visual impairment) are highly encouraged due to the availability of dedicated fellowships supported by the generous funding contributed respectively from the Sara Elizabeth O'Brien Trust, Bank of America, N.A., Trustee, and the Simeon J. Fortin Charitable Foundation, Bank of America, N.A., Trustee.*
