

Robert E. Leet and Clara Guthrie Patterson Trust  
Mentored Research Award  
Clinical, Health Services and Policy Research

Bank of America, N.A., Trustee

Announcing the October 2017 Grant Cycle

**Overview:**

The Robert E. Leet and Clara Guthrie Patterson Trust was established in 1980 for the advancement of medical science, particularly research “relating to human diseases, their causes and relief.”

The Patterson Trust will provide support to mentored clinical investigators in the early stages of their research careers across a wide range of disciplines.

The Program will help the Trust to pursue its mission by providing Awardees with the opportunity to demonstrate creativity and explore opportunities that may promote careers in clinical research. Pilot and preliminary studies are encouraged.

**Application Deadline:**

Monday, May 8, 2017  
12:00 Noon, U.S. Eastern Time

**Award Amount:**

Two-year Awards at \$90,000
