APPLY NOW to the 2020 Postdoctoral Research Fellowship Program in the Basic Sciences and Clinical/Health Services Research.

The primary goal of the Program is to provide fellowships to postdoctoral fellows in Massachusetts to investigate the causes of diseases in human beings, and/or improve methods of treatment for human diseases. United States citizenship is not required.

**DEADLINE**
**Wednesday, March 4, 2020**
12:00 P.M., U.S. Eastern Time

**FUNDING PERIOD**
September 1, 2020 – August 31, 2022

**AWARD AMOUNT**
Two-year grants range from $104,008 to $117,760

**GUIDELINES**
www.hria.org/tmf/King

**ELIGIBILITY**

**Basic Science**
By September 1, 2020, applicants must have completed a minimum of three years, but not more than five years, of full-time postdoctoral research. See Guidelines for additional eligibility requirements.

**Clinical/Health Services Research**
By September 1, 2020, applicants must have no more than five years of employment since completion of residency training or 3-5 years of postdoctoral employment. See Guidelines for additional eligibility requirements.

Private foundations, individuals and other contributors have joined the Charles A. King Trust in supporting the Postdoctoral Research Fellowship Program. Proposals focused on cancer or blindness (not visual impairment) are highly encouraged due to the availability of dedicated fellowships supported by the generous funding contributed respectively from the Sara Elizabeth O’Brien Trust, Bank of America, N.A., Trustee, and the Simeon J. Fortin Charitable Foundation, Bank of America, N.A., Trustee.

The Charles A. King Trust Postdoctoral Research Fellowship Program is administered by The Medical Foundation. Please direct questions to LCarver@hria.org.
