Program Focus:

The Transformational Research Award provides two years of additional research funding for successful projects funded by Catalyst Awards. The Transformational Award will continue to support successful Catalyst Award Recipients' work tackling critical scientific and therapeutic roadblocks and thereby opening new avenues for treating and curing disease.

Eligibility:

Only Catalyst Award Recipients who meet the following requirements are eligible to apply:

- Received a Catalyst Award in 2018 (approved NCE) or 2019 and not previously applied for a Transformational Award
- Have successfully achieved the proposed benchmarks and milestones outlined in their Catalyst Award proposals
- Hold a full-time faculty appointment
- Independent investigator(s) with demonstrated institutional support and the specialized space and facilities needed to conduct the proposed research
- Applicants may not have funding for a similar project
- United States citizenship is not required; visa documentation is not required
- Each PI may only submit one application
